

## CHRISTMAS DAY IS HERE

By Edward Clay

Candy canes, and wooden trains,  
Christmas day is here  
The smell of pine, a drink of wine  
A day of joy and cheer  
A little boy, with brand new toys  
Christmas day is here  
Lights to and fro, and mistletoe  
A day for loved ones near  
This day to share, without a care  
Christmas day is here  
With bubble lights, and (Silent Night)  
A day we all revere  
As carolers sing, and snow bells ring  
Christmas day is here  
So I say, this pleasant day  
Merry Christmas and happy New Year.
