## **Of All My Loves**

A Sonnet by G.R. Ledger

Of all my loves this is the first and last  
That in the autumn of my years has grown,  
A secret fern, a violet in the grass,  
A final leaf where all the rest are gone.  
Would that I could give all and more, my life,  
My world, my thoughts, my arms, my breath, my future,  
My love eternal, endless, infinite, yet brief,  
As all loves are, and hopes, though they endure.  
You are my sun and stars, my night, my day,  
My seasons, summer, winter, my sweet spring,  
My autumn song, the church in which I pray,  
My land and ocean, all that the earth can bring  
    Of glory and of sustenance, all that might be divine,  
    My alpha and my omega, and all that was ever mine.
