CHRISTMAS DAY IS HERE

By Edward Clay

Candy canes, and wooden trains,
Christmas day is here
The smell of pine, a drink of wine
A day of joy and cheer
A little boy, with brand new toys
Christmas day is here
Lights to and fro, and mistletoe
A day for loved ones near
This day to share, without a care
Christmas day is here
With bubble lights, and (Silent Night)
A day we all revere
As carolers sing, and snow bells ring
Christmas day is here
So I say, this pleasant day
Merry Christmas and happy New Year.
