Poets she will cover include Marianne Moore, John Crow Ransom, E.E. Cummings, Hart Crane and Robert Lowell. This program will again feature audio of poets reading from their own works.

CHAPTER NEWS: Our chapter is sponsoring a very special exhibit at the Fairmont Branch of the Pasadena Public Library during the entire month of September. Photography, sculpture, paintings and cartoons by local and international artists will be displayed along with poetry referencing each piece. Long time member, writer and poet Winifred Schramm initiated and spearheaded the exhibit. The poetry was written by our members including Winifred, Billie Preston, Debbie Webb, Catherine Parker and Clara and Odin Clay. Photography exhibited includes works by members Art Schramm, Clara and Odin Clay and Marvin Trent. This exhibit gives the public a rare opportunity to see a wide variety of art forms in one place, as well as a showcase for our chapter members. Thank you, Wendy, for your hard work in putting this exhibit together! And thank all of you who participated in making this exhibit a success!

In August, Kathy Wieboldt presented the first in a series of programs discussing the lives and works of some of modern poetry's most influential figures.

OFFICERS: Marvin Trent, President; Louise Peck, Vice President; Kathy Wieboldt, Secretary; and Debbie Webb, Treasurer.
